Big picture questions / outcomes

- Reasons in favor of recreational boating along the bold coast
- Reasons against recreational boating along the bold coast
- Considerations about safety, preparedness, response
- Considerations about environment and stewardship
- Considerations about economic development, tourism, compatibility with existing initiatives
- For each of the above: ways to address concerns, ways to realize opportunities
- Knowledge of bold coast resources or locations that could support recreational boaters
- Other people or groups to involve and questions to ask as part of this exploration
