A detailed map of the San Juan Islands, Alaska, showing various islands and surrounding waters. The map includes numerous depth soundings, navigational markers, and labels for specific locations. Several callout boxes are overlaid on the map, providing information about the management status of different areas:

- Mink:** Public, camping, no fires, logbook (indicated by a black star on Mink Island).
- Daniels:** Public, camping, logbook (indicated by a black star on Daniels Island).
- Marsh Harbor:** Private, camping, no fires, logbook (indicated by a black star on Marsh Harbor).
- Sheep:** DCC, camping, logbook (indicated by a red star on Sheep Island).
- Tibbett:** DCC, camping, logbook (indicated by a red star on Tibbett Island).
- Green:** Private, camping, no fires, no pets (indicated by a blue star on Green Island).
- Bois Bubert:** USFWS, camping, no fires, no pets, logbook (indicated by a red star on Bois Bubert Island).

The map also shows other islands such as Dyer Island, Flint Island, Shipstem Island, and Mackerel Rock. Various navigational aids and depth soundings are visible throughout the water areas.
